Introduction

Nestvier Nigeria LTD. Is a private limited liability company that was set up to start and carry out operations in Real Estate service by Corporate Affairs Commission (CAC).

The company partners with some international world-class firms and also represents so many of them here in Nigeria. The company is strategically positioned and consolidated to render a full package of integrated Real Estate properties development and management support services to all sectors of our economy with prime focus on the general public, governments, high net worth individuals, etc.

The company, as the service suggest, is dully registered with most of the maior operators in the Real Estate industry. Such as Real Estate Developers Association Of Nigeria (REDAN), Town Planners Registration Counsel Of Nigeria (TOPREC),

Our Vision

To be the leading Real Estate Company out of Africa in excellent property development & delivery.,

Our Mission

Our mission is to maximize the use of our local knowledge and skills combined with our global expertise, to design and build properties of high international standard, on schedule, to the utmost satisfaction of our clients.

Our Core Values

- Professionalism
- Integrity
- Passion
- Innovation
- Teamwork
- Delivering value to our stakeholders

Message from CEO

The vision of Nestvier is to be the leading Real Estate Company out of Africa in excellent property development & delivery and in an increasingly competitive market, it is vital that we stay ahead of the curve. I believe in harnessing emerging technologies, fostering a culture of creativity and collaboration, and embracing change as an opportunity for progress.

To meet and exceed expectations, we prioritize open communication, transparency, and trust. We will build enduring partnerships that benefit both of our businesses.

Corporate social responsibility is integral to Nestvier Limited's ethos. Community and environmental responsibility are important to us. As a company, we will embrace sustainability, support charitable endeavors, and make a positive impact on society.

This Is Nestvier!

Our Expertise is your Advantage.

TPL. ERNEST JOES OBASSE

Services

Real Estate Development

Our estate development services are designed to cater to a range of sectors, including residential, commercial, and industrial properties.

Estate Management

Our Estate Management service is designed to help our clients manage and maintain their properties and assets efficiently.

Services

Urban Planning

We conduct research, create plans according to community needs, and implement innovative design and zoning regulations.

Project Management

We provide full project management services for on-time, in-budget, and up-to-spec projects. Our team handles everything from planning to execution and keeps you informed. Let us take the stress away and help you reach your business goals.

Services
